

## Internship Board Application (iBoard)

2016-2017

Hello, \_\_\_\_\_! (First Name, Last Name)

Internship board is an optional program in which Barkada's general members actively learn about the Executive Board positions through helping in the year's events. Through iBoard, I hope to develop leadership skills for our general members, as well as prepare them for the duties of an executive board member, through shadowing our current executive board. iBoard is also an excellent way to meet new people and learn about this wonderful club that we have. I look forward to working with you all this year!

- Jeron (Vice President)
